G Am D  
Cherish is the word I use to describe  
G Am D  
All the feeling that I have hiding here for you inside  
Bm C  
You don't know how many times I've wished that I had told you  
Bm C  
You don't know how many times I've wished that I could hold you

You don't know how many times I've wished that I could

G Am D  
To the hope in my heart each time I realize  
Bm C  
That I am not gonna be the one to share your dreams  
Bm C  
That I am not gonna be the one to share your schemes  
Bm  
That I am not gonna be the one to share what  
C  
Seems to be the life that you could  
C Am D  
Cherish as much as I do yours

Am D  
Oh, I'm beginning to think that man has never found  
Bm F#  
The words that could make you want me  
D G  
That have the right amount of letters, just the right sound  
C Am  
That could make you hear, make you see  
F D  
That you are drivin' me out of my mind

G D  
Oh, I could say I need you, but then you'd realize  
Dm E  
That I want you just like a thousand other guys  
C D  
Who'd say they loved you, with all the rest of their lies

Em  
When all they wanted was to touch your face, your hands  
F D  
And gaze into your eyes

Cherish is the word I use to describe

El Paso - Marty Robbins '59

3/4

SOME PREFER B<sub>b</sub>

[C] Out in the west Texas [Dm] town of El Paso  
 [G7] I fell in love with a Mexican [C] girl  
 Night time would find me in [Dm] Rosa's cantina  
 [G7] Music would play and Felina would [C] whirl *2 measures C*

[C] Blacker than night where the [Dm] eyes of Felina  
 [G7] Wicked and evil while casting a [C] spell  
 My love was deep for this [Dm] Mexican maiden  
 [G7] I was in love, but in vain I could [C] tell

[F] One night a wild young [C7] cowboy came [F] in  
 Wild as the [Cm] West Texas [C] wiiiiind [C7] [C7] [C7]  
 [C7] Dashing and daring, a drink he was sharing  
 With wicked Felina, the girl that I [F] loved  
 So in [G7] anger

I [C] challenged his right for the [Dm] love of this maiden  
 [G7] Down went his hand for the gun that he [C] wore  
 My challenge was answered in [Dm] less than a heartbeat  
 [G7] The handsome young stranger lay dead on the [C] floor *2 measures*

Just for a moment I [Dm] stood there in silence  
 [G7] Shocked by the foul evil deed I had [C] done  
 Many thoughts raced through my [Dm] mind as I stood there  
 [G7] I had but one chance and that was to [C] run *2 measures*

[F] Out through the back door of [C7] Rosa's I [F] ran  
 Out where the [Cm] horses were [C] tiiiiied [C7] [C7] [C7]  
 [C7] I caught a good one  
 It looked like it could run  
 Up on its back and away I did [F] ride  
 Just as [G7] fast as

I [C] could from the West Texas [Dm] town of El Paso  
 [G7] Out to the badlands of New Mexi[C]co

## El Paso - Marty Robbins

[C] Back in El Paso my [Dm] life would be worthless  
[G7] Everything's gone in life, nothing is [C] left  
It's been so long since I've [Dm] seen the young maiden  
[G7] My love is stronger than my fear of [C] death

[F] I saddled up and a [C7] way I did [F] go  
Riding a [Cm] lone in the [C] daaaaark [C7] [C7] [C7]  
[C7] Maybe tomorrow a bullet may find me  
Tonight nothing's worse than this pain in my [F] heart  
And at [G7] last here

I [C] am on the hill over [Dm] looking El Paso  
[G7] I can see Rosa's cantina be [C] low  
My love is strong and it [Dm] pushes me onward  
[G7] Down off the hill to Felina I [C] go

Off to my right I see [Dm] five mounted cowboys  
[G7] Off to my left ride a dozen or [C] more  
Shouting and shooting I [Dm] can't let them catch me  
[G7] I have to make it to Rosa's back [C] door

[F] Something is dreadfully [C7] wrong for I [F] feel  
A deep burning [Cm] pain in my [C] siiiide [C7] [C7] [C7]  
[C7] Though I am trying to stay in the saddle  
I'm getting weary, unable to [F] ride  
But my [G7] love for

Fi [C] lena is strong and I [Dm] rise where I've fallen  
[G7] Though I am weary I can't stop to [C] rest  
I see the white puff of [Dm] smoke from the rifle  
[G7] I feel the bullet go deep in my [C] chest  
From out of nowhere Fi [Dm] lena has found me  
[G7] Kissing my cheek as she kneels by my [C] side  
Cradled by two loving [Dm] arms that I'll die for  
[G7] One little kiss and Felina, good [C] bye

## I'm a Believer

[Verse]

**G**                    **D**                    **G**  
 I thought love was only true in fairy tales  
    **D**                    **G**  
 Meant for someone else but not for me  
**C**                    **G**  
 Love was out to get me  
**C**                    **G**  
     That's the way it seemed  
**C**                    **G**                    **D**  
     Disappointment haunted all my dreams

[Chorus]

(no chord)    **G**    **C**    **G**  
 Then I saw her face  
                   **C**    **G**    **C**    **G**  
 Now I'm a believer!  
**C**    **G**    **C**    **G**  
 Not a trace  
                   **C**            **G**    **C**    **G**  
 Of doubt in my mind.  
**C**    **G**↓            **C**  
 I'm in love    Ooo ooo  
**C**                    **G**  
     I'm a believer  
                           **F**                    **D**  
 I couldn't leave her if I tried.

**G**                    **D**                    **G**  
 I thought love was more or less a givin' thing  
    **D**                    **G**  
 Seems the more I gave, the less I got  
**C**                    **G**  
 What's the use in tryin'?  
**C**                    **G**  
     All you get is pain.  
**C**                    **G**                    **D**

# LYIN' EYES

(The Eagles)

GCEA

DGBE

G Gmaj7 C  
City girls just seem to find out early,  
Am D  
how to open doors with just a smile.

G Gmaj7 C  
A rich old man and she won't have to worry;  
Am C G  
she'll dress up all in lace and go in style.

G Gmaj7 C  
Late at night a big old house gets lonely;  
Am D  
I guess every form of refuge has its price.

G Gmaj7 C  
And it breaks her heart to think her love is only  
Am C G  
Given to a man with hands as cold as ice.

G G C  
So she tells him she must go out for the evening  
Am D  
To comfort an old friend who's feeling down.

G Gmaj7 C  
But he knows where she's goin' as she's leavin';  
Am C G  
She's headed for that cheatin' side of town.

**(Chorus)** -----

G C G Em Am D  
You can't hide your lyin' eyes, and your smile is a thin disguise.

G C Am D G  
I thought by now you'd realize there ain't no way to hide those lying eyes.  
-----

G Gmaj7 C  
On the other side of town a boy is waiting  
Am D  
with stormy eyes and dreams no-one could steal  
G Gmaj7 C  
She drives on through the night anticipating;  
Am C G  
'Cuz she makes him feel the way she used to feel

G            G            C  
 She rushes to his arms they fall together  
   Am                            D  
 She whispers that its only for a while  
   G                            Gmaj7            C  
 She says that soon she'll be coming back forever  
   Am                    C                    G  
 She pulls away and leaves him with a smile

**(Chorus)**

G                    Gmaj7            C  
 She gets up and pours herself a strong one  
   Am                            D  
 And stares out at the stars up in the sky.  
   G                    Gmaj7            C  
 Another night, it's gonna be a long one;  
   Am                    C                    G  
 She draws the shade and hangs her head to cry.  
   G                    G                    C  
 And she wonders how it ever got this crazy  
   Am                            D  
 She thinks about a boy she knew in school  
   G                            G            C  
 Did she get tired or did she just get lazy  
   Am                    C                    G  
 She's so far gone, she feels just like a fool

G                    Gmaj7            C  
 My, oh my, you sure know how to arrange things;  
   Am                            D  
 You set it up so well, so carefully.  
   G                    Gmaj7            C  
 Ain't it funny how your new life didn't change things;  
   Am                    C                    G  
 You're still the same old girl you used to be.

**(Chorus)**

  Am                    C                    G  
 There ain't no way to hide your lyin' eyes

  Am                    C                    G  
 Honey you can't hide your lyin' eyes

## To Love Somebody

by: Ray Lamontagne

G  
There's a light  
Am  
A certain kind of light  
C G  
That never shone on me  
F G  
- I want my whole life to be  
D  
To live with you  
C  
To live with you  
  
G  
- There's a way  
Am  
Everybody says  
C G  
To do each and every little thing  
F G  
- But what good does it bring  
D  
If I ain't got you  
C  
Ain't got you, baby  
  
**Chorus:**  
G D  
- You don't know what it's like  
C G  
Baby, you don't know what it's like  
D  
To love somebody  
C  
To love somebody  
G  
The way I love you

G  
Mmm, in my brain  
Am  
I see your face again  
C G  
I know my frame of mind  
F G  
- You ain't got to be so blind  
D  
And I'm blind,  
C  
so so very blind  
  
G  
- I'm a man,  
Am  
Can't you see what I am  
C G  
I live and I breathe for you  
F G  
- But what good does it do  
D  
If I ain't got you  
C  
Ain't got you, baby

[repeat chorus]

D G  
I... love you

[repeat chorus]

D G  
No-no-no-no-no-no

## Your Cheating Heart - written and recorded by Hank Williams

C7                    C            C7            F  
Your cheating heart will make you weep  
                         G7                    C  
You'll cry and cry and try to sleep  
     G7                    C            C7                    F  
But sleep won't come the whole night through  
                         G7                    C  
Your cheating heart will tell on you

                  C7                    F                    C  
When tears come down like falling rain  
                         D7                                    G7  
You'll toss around and call my name  
                                  C            C7            F  
You'll walk the floor the way I do  
                                  G7                                    C  
Your cheating heart will tell on you

G7                    C            C7            F  
Your cheating heart will pine someday  
                         G7                                    C  
And crave the love you threw away  
     G7                    C            C7                    F  
The time will come when you'll be blue  
                         G7                                    C  
Your cheating heart will tell on you

                  C7                    F                    C  
When tears come down like falling rain  
                         D7                                    G7  
You'll toss around and call my name  
                                  C            C7            F  
You'll walk the floor the way I do  
                                  G7                                    C  
Your cheating heart will tell on you
