

# A Summer Song

by Chad and Jeremy

G Em C D G Em C

Trees swayin' in the summer breeze

D G Em C

Showin' off their silver leaves

D G Em C D

As we walked by

D G Em C

Soft kisses on a summer's day

D G Em C

Laughing all our cares away

D G Em C D

Just you and I

G Em C D G Em C

Sweet sleepy warmth of summer nights

D G Em C

Gazing at the distant lights

D G Em C D

In the starry sky

C D G

They say that all good things must end some

Em

day

Am D Em

Autumn leaves must fall

D G Bm

But don't you know that it hurts me so

C Bm Am

To say goodbye to you

Em D

Wish you didn't have to go

Em D

No no no no

G Em C

And when the rain

D G Em C

Beats against my window pane

D G Em C

I'll think of summer days again

D G Em C D

And dream of you

C D G

They say that all good things must end some

Em

day

Am D Em

Autumn leaves must fall

D G Bm

But don't you know that it hurts me so

C Bm C

To say goodbye to you

Em D

Wish you didn't have to go

No no no no

G Em C

And when the rain

D G Em C

Beats against my window pane
