

LITTLEST BIRDS by the Be Good Tanyas

F C G (C F C G repeat x2)

Well I love you so dearly I love you so clearly

I wake you up in the mornin' so early,

Just to tell you I got the wanderin' blues.

I got the wanderin' blues,

And I'm gonna quit these ramblin' ways one of these days soon,

And I'll sing :

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.

F C G (C F C G repeat x2)

Well it's times like these I feel so small and wild

Like the ramblin' footsteps of a wanderin' child.

And i'm lonesome as a lonesome whippoorwill,

Sing these blues with a warble and a trill.

But i'm not too blue to fly,

No i'm not too blue to fly 'cause

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.

The littlest birds sing the prettiest songs.
