

# Beautiful Noise

by: Neil Diamond

A  
What a beautiful noise

E  
Comin' up from the street

E  
Got a beautiful sound

A  
It's got a beautiful beat.

A  
It's a beautiful noise

E  
Goin' on every where

E  
Like the clickety-clack

E  
Of a train on a track

A  
It's got a rhythm to spare

D  
It's a beautiful noise

G  
And it's sound that I love

C  
And it's fit me as well

D  
As a hand in a glove

D D  
Yes it does, yes it does

G  
What a beautiful noise

D  
Comin' up from the park

D7  
It's the song of the kids

G  
And it plays until dark

G  
It's the song of the cars

D  
On their furious flights

D  
But there's even romance

D  
In the way that they dance

G  
To beat of the lights

C  
It's a beautiful noise

D  
And it's a sound that I love

C  
And it fits me as well

D  
Like a hand in a glove

D D  
Yes it does, yes it does.

G  
What a beautiful noise

G  
It's a beautiful noise

D  
Made of joy an of strife

D  
Like a symphony played

D  
By a passing parade

G  
It's the music of life

C  
It's a beautiful noise

D  
And it's the sound that I love

C  
And it makes me feel good

D  
Like a hand in a glove

D D  
Yes it does; Yes it does

G  
What a beautiful noise

D  
Comin' into my room.

D7  
And it's beggin' for me

G  
Just to give it a tune. \_\_\_\_\_
