

My Island Home

Warumpi Band (Neil Murray)

1987

5 chords used in this song

Six years I've been in the desert

And every night I dream of the sea

They say ho——me is where you find it

Will this place ever satisfy me

For I come from the salt water people

We always live by the sea

Now I'm out here west of Alice Springs

With a wife and the family

Chorus

and My island home My island home

My island home is waiting for me

My island home My island home

My island home is waiting for me

Bridge

In the evening the dry wind blows

From the hills and across the plain

I close my eyes and I am standing

In a boat on the sea again

And I'm holding that long turtle spear

And I feel I'm close now to where it must be

My island home is waiting for me

For I come from the salt water people

We always live by the sea

My island home My island home

My island home is waiting for me

Repeat Bridge

In the evening the dry wind blows

From the hills and across the plain

I close my eyes and I am standing

In a boat on the sea again

And I'm holding that long turtle spear

And I feel I'm close now to where it must be

My island home is waiting for me

My island home My island home

My island home is waiting for me

My island home My island home

My island home My island home

My island home My island home

My island home My island home

My island home My island home

My island home My island home

My island home
